

***Please Reserve This Date!***

**Tree Canada** in partnership with the **City of London** invites you to the  
10<sup>th</sup> Canadian Urban Forest Conference!

**October 2 – 4, 2012**

London, Ontario, Canada

With an international airport and direct train links to Toronto, London *The Forest City*, has a long history of progressive and innovative forest management. With over 80% of Canadians living in urban areas, London is excited to provide a focus for Canadian urban forest practices, while allowing for a dialogue with professional and community groups on urban forest strategies, policies, technologies and management practices.

**The *Back to the Forest* Conference Website and online Registration will be launched January 2012.** We encourage you to visit the website often as the Program and Conference details will be updated at [www.cufc10.ca](http://www.cufc10.ca). The conference will include:

- A strategic urban forest workshop and quality local, national and international presenters
- Field tours of London's urban forest and Canada's unique Carolinian Forest
- A banquet and gala event marking Tree Canada's 20<sup>th</sup> anniversary
- Networking and dialoguing opportunities with Canadian urban forest leaders

For further information about the Conference please contact Louise Fagan, CUFC10 Project Manager, at [l.fagan@rogers.com](mailto:l.fagan@rogers.com) or Melissa Nisbett, Communications Officer, Tree Canada, [mnisbett@treecanada.ca](mailto:mnisbett@treecanada.ca)

**SEE YOU THERE !**
