

# Urban Forests by Design

## Call for Presentations and Posters

### 11<sup>th</sup> Canadian Urban Forest Conference

September 30 – October 2, 2014

Victoria, British Columbia, Canada

#### CUFC

Every two years the CUFC brings together dedicated individuals and groups to share their experiences and innovative approaches to the stewardship of Canada's urban forests.

The conference theme of *Urban Forests by Design* is intended to engage urban foresters with allied professionals, residents, civic leaders and others in the common drive to build communities that are more genuinely sustainable, resilient, healthy, participatory, and affordable.

#### Presentations

Abstracts are being sought for the following:

- ▶ Individual presentations
- ▶ Symposia or panels
- ▶ Tree Academy workshops
- ▶ Professional Affiliate presentations
- ▶ Poster presentations

#### Proposed conference streams

- ▶ Values (ethical, social, ecological)
- ▶ Policy & Planning
- ▶ Research & Design
- ▶ Funding & Resourcing
- ▶ Best Management Practices

#### Submission Guidelines

To have your presentation or poster considered, please submit a titled abstract of 250 words or less to: [jgye@shaw.ca](mailto:jgye@shaw.ca). Please include your name, affiliation and contact information.

#### Abstracts are due by Feb 15, 2014.

Abstracts may address any topic broadly related to the conference theme. Abstracts will be evaluated for thematic relevance, clarity and interest to a diverse audience.

For more information please contact [CUFC11@victoria.ca](mailto:CUFC11@victoria.ca)
