## **Community Tree Care Workshop: From the Ground Up**

*Presented by the Manitoba Urban Forest Council*

**Thursday, October 3<sup>rd</sup>, 2019**

**Access Event Centre, 111 Gilmour St, Morden, MB**

*The Manitoba Urban Forest Council* invites you to attend  
a one-day tree care and urban forestry workshop.

**Learn more about:**

- Tree planting and tree care
- Identifying and managing common tree pests on the prairies
- Forest Enhancement Program
- Urban tree inventories
- Prairie forests and climate change
- Identifying Manitoba's urban trees
- Emerald ash borer monitoring techniques

**The workshop will feature a keynote speaker followed by break-out sessions and hands-on field training. ISA CEUs available!**
