

# BUILD A CITY. BUILD A FUTURE.

## ENVIRONMENTAL PLANNER

*(Regular Full Time)*

Reporting to the Trees and Landscape Manager in Planning and Development, this highly complex professional and technical position requires considerable expertise to review land development applications and reports while ensuring compliance with bylaws, regulations, and policies. The Environmental Planner will be part of a team that establishes and implements realistic objectives and standards related to urban forestry and the environment.

### RESPONSIBILITIES

- You will bring your expertise of environmental planning to review development applications as well as technical reports and projects.
- You have excellent stakeholder engagement skills and will liaise with other departments, consultants, municipalities, governmental agencies, community, and environmental groups.
- Your leadership and organization skills will be put to good use as you create standard operating procedures and implement processes to create consistency in environmental reviews.
- You have a strong sense of urgency and will respond to inquiries related but not limited to, pollution, fisheries, invasive species, wildlife, water quality, and stream and habitat protection.
- Perform other duties as required.

### QUALIFICATIONS

- A University degree from a recognized post-secondary institution in a related discipline.
- A minimum of eight (8) years' experience.
- An equivalent combination of education and experience may be considered.
- A valid and unrestricted driver's license with a safe driving record.
- Registered as a Professional Biologist (R.P. Bio), or eligibility to register as a R.P. Bio with the College of Applied Biology
- Directly related experience with a municipality or other public sector organization is considered an asset.
