

RED ZONE SURVEY

Your Community, DUAL, the Oasis Program and Carleton University invite you to share your experiences with red zones... Do they help? Do they harm? How can they be changed? Lets make change possible!

ALSO we'll have a giant red zone map at The Junction being updated with info, come check it out!

You can find surveys and drop boxes at

The Junction
Sandy Hill Community Health Centre
221 Nelson Street Ottawa

Centre 454
216 Murray St Ottawa

The Tool Shed
Aids Committee of Ottawa
251 Bank St, Suite 700

Centre 507
507 Bank Street

Participants must be at least 16 yrs old, living in Ottawa, and affected or at risk of being affected by red zoning related to drug use. Please don't breach to participate; we can happily arrange to get surveys to you if you cannot access the above locations. Email us at redzone.research@gmail.com, or call 613.788.2972

This research has gone through Carleton University's Ethic Review. if you have any questions regarding ethics please contact (613)520-2517 or ethics@carleton.ca
