

YOU ARE INVITED TO MCLEAN'S MICROFIT & GREENING INITIATIVE RIBBON CUTTING CEREMONY

MCLEAN CO-OPERATIVE HOMES
SOLAR
CELEBRATION

Visio Energy has just completed installing an 11.27kW DC system on the roof of the McLean Co-operative. As a means of celebrating this accomplishment for the Co-op, Visio would like to invite members of other local Co-ops to take part in the solar guided tour and breakfast.

For those of you interested in learning more about the MicroFIT Solar Program for your Co-operative, the Ottawa Renewable Energy Co-op (OREC) will be presenting a short information session indoors giving an overview of the program and how everyone can participate in it.

Special guests will include **MP David McGuinty, MPP Phil McNeely, OREC and Councillor Diane Deans.**

Event Date: Wednesday August 22nd 10:00 to 13:00

Where: McLean Cooperative Homes, 343 Parkin Circle, Ottawa, K1T 4G6
