**Health Canada Drug Treatment Funding Program Webinar Series:**

# Featuring Ontario's DTFP

## Assessment/Benchmark Addictions Treatment Costs Project

EENet invites you to join us for a *FREE* one-hour virtual knowledge exchange session via telephone and webinar to explore what Ontario is doing to enhance their substance use treatment system!

This webinar is part of a series to connect stakeholders across our province, and other Canadian jurisdictions as we work towards the shared goal of improving our substance use treatment systems.

Date: Thursday, November 8th, 2012
Time: 1pm to 2pm EST
To register, please follow the link:
http://eenetdtfpcosting8nov12.eventbrite.com
Maximum capacity: 150 participants

The focus of this workshop will include:
- A description of the project
- Project objectives
- Project implementation plans
- Preliminary results
- Validity Issues with current cost ratios
- Progress and next steps

**This workshop is open to all stakeholders of EENet, the Ontario substance use treatment system, and our national partners.**

**Please note that the webinar will be recorded and posted on the EENet website following the presentation.**

### About the presenter

**Garth Martin** is private consultant working with Brian Rush on four performance measurement DTFP projects. He is the Project Lead on the Costing Project. His background includes a 40 year association with the Addiction Research Foundation and CAMH in areas of clinical service, clinical administration, research and knowledge exchange. He was formerly cross-appointed to the Faculty of Social Work at the University of Toronto and is a past Director of the Collaborative Program in Addictions Studies at U of T.

### About Evidence Exchange Network

(EENet; formerly OMHAKEN) actively promotes the use of evidence in decision-making by providing an infrastructure to connect research to mental health and addictions research stakeholders across Ontario, develops targeted KT products and tools and supports interactive exchanges. The EENet Management and Resource Centre is located in the Provincial System Support Program at CAMH.
