

Presented by a group of men with the support of the Alliance to End Homelessness, the Fundraiser is a great opportunity to be part of a broad community effort to end homelessness in our City. The Luncheon is enormous fun, with no boring presentation or long speeches. The emphasis is social interaction connecting with family and friends, and community spirit. The meal is great (with vegetarian options), and the event is for all ages: kids, teens, adults and grandparents

100% of Funds Raised will support a Triple "A" Homelessness Strategy:

- 1/3 to the Alliance to End Homelessness Ottawa to raise **Awareness** of Homelessness.
- 1/3 to Daybreak for the provision of transitional housing **Assistance** to the Homeless.
- 1/3 towards **Action** on Homelessness contributing to the YMCA-YWCA's Second Stage Housing for Youth program

Did you know that:

- Over 7,000 people are homeless in Ottawa. Among that group are more than 1,000 youth and teens
- The average stay in a shelter was 62 days?
- We are not building anywhere near the number of housing units to meet community needs
- People on disability spend about 69% of their income on rent?
