Linking Research and Knowledge with Action and Policy,  
Honouring National Housing Day

Each year, the Alliance to End Homelessness in Ottawa includes **Table Talks** as part of the program at its annual Community Forum on Homelessness. This is an invitation to serve as a Table Talk host at this year's forum, on November 26, 2013.

**'Table Talks' networking at lunchtime for Forum participants:** Hosts of 'Table Talks' are agencies or organizations with information or news to share in a small group setting. Hosts give a brief, informal presentation and then answer questions or lead a discussion; two of these may be in French. **Topics** might be a new program, recent research findings, an agency update, a new partnership, etc.

**Interested table talks hosts are asked to contact Ofelia Levoir by email to inquire about presenting.** Ofelia is the Families First Coordinator at Pinecrest-Queensway Community Health Centre, and is a member of the ATEH Research and Evaluation Working Group. Ofelia can be reached at the following:
