

DIALOGUE with Parents and Caregivers of Children & Youth with Mental Health/Addictions Challenges

YOU ARE INVITED!

PLEO is collaborating with Kemptville District Hospital and Children's Mental Health of Leeds & Grenville to launch a CONFIDENTIAL Peer Support Group for parents in Kemptville and surrounding area.

Parents' Lifelines of Eastern Ontario (PLEO) is a charitable, non-profit organization providing a range of support services to parents and caregivers of children, youth, and young adults (0-24) with mental health and/or addictions challenges. We are staffed by parents with lived experience supporting their own children.
