

Habitat for Humanity Greater Ottawa's

BONSPIELS for BUILDS

Join us on Saturday, March 25th for **Bonspiels for Builds**, Habitat for Humanity Greater Ottawa's first annual charity curling tournament! Individuals from across our community are invited to register or sponsor to play in a round robin bonspiel at the North Grenville Curling Club. Enjoy healthy competition, a late-night band and a catered dinner!

Bonspiels for Builds provides an incredible networking opportunity for like-minded, community-driven local individuals and businesses. Beyond networking, this event provides your company the opportunity to position yourself as a community leader who supports Habitat Greater Ottawa's mission to provide local families access to affordable homeownership. All funds raised at this year's Bonspiel will support Habitat Greater Ottawa's operations for 2023, which includes our current development, Kemptville Korner.

In partnership with Habitat Thousand Islands, Kemptville Korner is a 15-unit development consisting of townhomes and stacked townhomes with two accessible units. Kemptville Korner is located in an established community near parks, schools, stores and the district hospital. Once complete, the project will support 15 families.

Habitat: An affordable homeownership model that works

Habitat homeowner Cynthia and her son.

Habitat homes help families avoid making impossible choices between rent and other necessities by providing them with a mortgage they can afford. An affordable mortgage allows our homeowners to ensure their needs are met and that they can not only pay their bills – they can save for the future.

- 🔑 We build homes using volunteer labour and donated materials.
- 🔑 We sell the homes to qualifying partner families who have completed 500 volunteer hours.
- 🔑 We offer families an affordable and sustainable no-interest, no down-payment mortgage.
