ABOUT US

Through our Furniture Bank program, we address furniture poverty by accepting and redistributing gently-used furniture and household items to newcomers and low-income families, referred to us by our 50+ referring partners in the community. We furnish over 1000 homes every year throughout Ottawa.

DONATE FURNITURE

If you have gently-used furniture or household items to donate, you can **DROP-OFF** at our warehouse or **SCHEDULE A PICKUP** from our truck crew.

All donations will receive a tax receipt for the value of items.
