

Intro to Permaculture

Principles and Practice

Saturday, August 17th. 9.30am to 5.00pm.

**37 Deanery Rd.
Lower Ship Harbour,
Nova Scotia**

This workshop will provide an introduction to the founding ethics and principles of permaculture.

Participants will be challenged to think of permaculture as not just a collection of gardening techniques, but a practice that can be applied to our physical and social environments to create positive change in our communities.

\$70 Includes lunch.
